***Austin to Vauxhall
One Call Does It All!***

***Sales, Service, Restoration & Parts
for Uncommon British Cars***

www.kipmotor.com

Kip Motor Company is a full service antique automobile parts, restoration and repair facility. We perform complete or partial restorations on a wide variety of British automobiles. Our many projects range from show cars to daily drivers.

Using this Catalog

Parts listed in this catalog are currently available, normally stocked items or those planned for production. Unless otherwise indicated, all items are New or New Old Stock. (X) indicates rebuilt items sold *exchange only*. Your rebuildable part must be received in exchange before one is shipped. Damaged or disassembled parts may incur a significant surcharge. A number following in the parenthesis indicates items where cores are generally available. The number represents a core charge that will be added to your invoice, *where cores are available*. The core charge is refunded upon receipt of your rebuildable core. Price and availability is subject to change without notice. The items listed in this catalog only represent a small portion of our inventory. *If the part you require is not listed, please ask, we probably have it!*

Ordering by Phone

Our telephone order lines are open:

Monday through Friday 9:00 am - 6:00 pm CST
Saturday 9:00 am - 12 noon CST

Ordering by Mail, E-mail or Fax

Please include: your name, address, telephone number, make, model and year of car, engine & chassis numbers, ship to address and credit card information. If enclosing a check or money order, be sure to enclose sufficient funds to cover shipping charges. Any overage will be refunded. Orders paid by check will be held for two weeks prior to shipping. E-mail address: kipmotor@aol.com

Payments

We accept Visa, Mastercard, American Express & Discover. Please have available your credit card number, expiration date, name & address of card holder and telephone number. COD orders are usually accepted, an additional \$7 fee will be incurred. Air, truck freight and international shipments must be pre-paid.

Warranty

All parts are warranted against defects in material and workmanship for a period of one year from date of shipment. If a part fails in service, it will be exchanged for a similar part whenever available. This warranty covers only the part and

does not include labor or failure of a related component. In no case would the liability of KMC exceed the cost of the original part.

Shipping

Orders are normally shipped *UPS Ground*. *Next Day Air* and *Second Day Air* delivery is available at extra cost. Items too large for UPS are shipped by truck, freight collect. International and overseas orders may be shipped by post, UPS or other means as required. International customers should indicate their preference at time of order. If your shipment arrives damaged, notify the carrier immediately, before contacting KMC for further instructions.

For orders within the 48 contiguous United States, shipping and handling charges will be added to invoices at the following rates:

Order Total	Shipping & Handling
\$0.00 - 20.00	\$6.00
20.01 - 50.00	9.00
50.01 - 75.00	12.00
75.01 - 100.00	16.00
100.01 - 150.00	20.00
150.01 - 250.00	24.00
250.01 - 350.00	27.00
350.01 - 500.00	29.00
500.01 -	FREE SHIPPING

Shipping charges to other areas will vary accordingly.

Returns

Returns are accepted for full refund or exchange up to 90 days from date of purchase (shipment). Returns are accepted for exchange only, up to 180 days from date of purchase (shipment). Special orders, Custom orders and returns exceeding the listed limits may or may not be accepted, with or without a restocking fee, at the discretion of KMC. Returns must be accompanied by a copy of the original invoice. Include a note indicating the reason for return. All items must be in the same condition as shipped. *Items cut, fitted, painted, etc., will not be accepted.*

Backorders

We normally stock all items in our catalog. From time to time some items may be temporarily out of stock or no longer available. These items will be indicated as backordered on your invoice. In most cases, backordered items will ship within 1-2 weeks. Occasionally, certain items may take longer. Any backordered item not shipped within 60 days of the original order will be automatically dropped unless specifically requested otherwise.

Windshield wipers	27

Vehicle identification

Until the 1970's, most imported vehicles were titled at the *date of sale* with no respect to manufacture date or model year. In order for KMC to supply the correct part for your vehicle, it is essential that you provide accurate identification information: chassis number, engine number, body number, body style, etc. More specific details may occasionally be required.

- The engine number is stamped on the cylinder block or a plate attached to the cylinder block.
- The chassis and body numbers are stamped on a plate secured to the firewall, door post or chassis.

Due to the age of the vehicles listed in this catalog, it is not uncommon to find features that have been changed or modified by previous owners. Due to the passage of time, in some cases these changes/modifications may be difficult to spot and appear to be original. Although we will make great efforts to provide the proper part for your vehicle, don't despair if the one you receive doesn't look anything like the part found on your vehicle. At times great patience may be required.

Product Range

Many of the items listed in this catalog are manufactured by KMC. New products are continually under development and stocks of NOS parts arrive daily. Our inventory is vast and comprehensive. If you do not see your vehicle or the item you require listed in this catalog, please do not hesitate to ask. For the most up to date information on new products, specials, vehicles for sale and current catalogs, check out our web site www.kipmotor.com

Other Catalogs Available

KMC has parts and catalogs for many British cars and commercial vehicles. Catalogs available at the time of printing include:

<i>The Metropolitan Book</i>	(Austin, AMC, Nash & Hudson versions)
<i>The London Taxi Book</i>	(Austin FX3/FX4/FL1/FL2 & Beardmore)
<i>The Orphan Book</i>	(vehicles not covered in specific catalog)

If you own other vehicles, call and ask for our most current catalog. *Austin to Vauxhall - One call does it all!*

Shop Manuals were issued to dealers and used by the mechanic whenever working on your vehicle. They contain specifications, illustrations and descriptions on how to perform overhaul, maintenance and repair on a vehicle.

Parts Catalogs were used by factory parts depots and dealers to identify, order and maintain inventory. They contain exploded view drawings of most or all components, chassis and engine number breakdowns (where applicable), and original part numbers essential when placing an order.

Handbooks contain information needed by the owner/operator on a daily basis, and were usually kept in the glovebox or other compartment. They contain information such as; tire inflation pressures, recommended lubricants & maintenance schedules, location and identification of switches and instrumentation, operation of vehicle features, etc.

In most pre-war and some post-war vehicles, factory Shop Manuals were never issued. In most cases where this occurred, the Handbook contained much of the information normally found in the Shop Manual. Information or procedures not shown in the Handbook were considered to be common knowledge among the mechanic & repair trade.

All manuals are reproductions of original factory manuals. If you are not sure which manual is correct for your vehicle, please have your chassis number ready when requesting assistance.

Sales literature and pre-war manuals also available.

If you do not see the manual you require listed, please ask.

Please call to confirm availability in desired sizes prior to machining. Parts or cars not shown are usually in stock or available. Engineoverhauls are a speciality of KMC. We are known throughout the industry for our top quality work. Even engines thought to be unsalvagable can be brought back to optimum condition and performance. Shipping of complete engines within the continental U.S. runs approximately \$150-200 each way. Motor mounts are also available for most vehicles.

USE ONLY **CASTROL GT LMA BRAKE FLUID**

Use of improper fluids or mixing of fluids can lead to complete failure of brake and clutch hydraulics. On vehicles not used for daily transportation, brake and clutch systems should be exercised on a regular schedule. Renew your fluid annually to remove entrapped water.

Castrol GT LMA, 12 oz
Castrol GT LMA, quart
